Are you looking to

sharpen your skills?

become more
confident in your
solution-focused
practice?

Have fun?

find a solution-
focused flow?

move from stuckness to
possibility?

develop some
creative ideas?

practise, practise,
practise?

meet others also grappling
with this elusive practice?

understand the approach
more clearly?

**Then, in all
likelihood, and whether your
first training in the approach
was 4 months or 4 years ago,
this is the course for you.**

Cost - £150
